

SPA COVER ORDER FORM

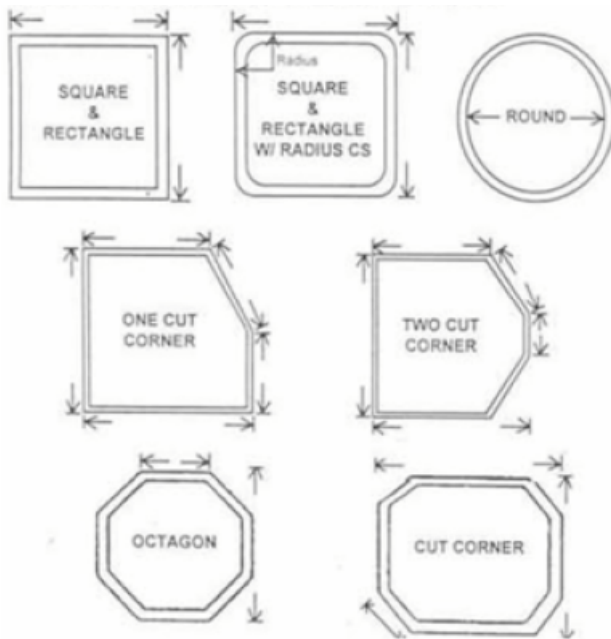

Pettis Pools & Patio
 1186 Manitou Rd.
 Hilton, NY 14468
 PH:585-392-7711
 FAX:585-392-7576

SPA BRAND _____
 MODEL NAME _____
 YEAR _____

CUSTOMER NAME _____

- 1 - Pick the shape below that best matches your hot tub.
- 2 - Fill in the dimensions of your cover.
- 3 - Draw in the fold with a dashed line.

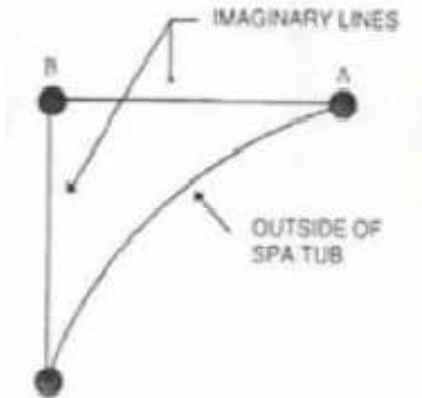

HOW TO MEASURE RADIUS CORNERS

To provide the information necessary on a radius corner, extend two imaginary lines to a point where the sides would have met had the corner been square. Provide the distance from the break of the curve (point A) to the imaginary point (point B). This will be the radius measurement.

Hint: T-squares work best. If you do not have one use two straight edges to create a point.

RADIUS _____

SKIRT LENGTH: _____
 (standard is 2" but you may request up to 4")

TIE DOWNS MANDATORY TO MEET ASTM STANDARDS.
 (Placement determined by Sunstar)

COVER COLOR

- | | | | |
|-----------------------------------|-----------------------------------|-------------------------------|-----------------------------------|
| <input type="checkbox"/> WALNUT | <input type="checkbox"/> WILDWOOD | <input type="checkbox"/> RUST | <input type="checkbox"/> TAN |
| <input type="checkbox"/> CHARCOAL | <input type="checkbox"/> ASH | <input type="checkbox"/> GREY | |
| <input type="checkbox"/> FOREST | <input type="checkbox"/> TEAL | <input type="checkbox"/> NAVY | <input type="checkbox"/> SKY BLUE |

Spa owner is responsible for cover measurements.

Measurements should be based on current spa cover. If you do not have one you may measure the outside lip of the hot tub itself.
