WHY VINYL?

The many advantages and customization of vinyl liners make them a popular and ideal choice for inground pools. All Fox Liners are made with precision to meet the exact size specifications of your pool. We offer a variety of patterns and colors to help match the aesthetic of your surrounding landscape. Cleaning, swimming & lounging are comfortable and hassle-free as all Liners are smooth and easy to maintain, unlike the abrasive nature of concrete or tile. Each Liner has ultraviolet inhibitors and antibacterial agents to help ensure a long-lasting life, and is backed by a 25-year limited warranty. Fox Vinyl Liners are not only for new pools, but can be custom made to fit existing inground and above ground pools as well.
